**Self Tests:**

At the end of the course notes for each unit, you will find several self-testing questions. These questions are designed to test your comprehension of the assigned reading and your grasp of the lecture material. If you have read the material, you should have no difficulty answering the questions. You may consult your books freely, of course, as these self-tests are for your own benefit.

**Final Exam:**

The final exam will be written in person at the approved exam centre that you selected when you registered for the course (see the [\\_\\_\\_\\_\\_](#)). It will not be an online exam. The final exam is scheduled by the Registrar. You must be prepared to write the exam on the dates assigned: do not make travel plans until the final exam schedule is posted.

Plagiarism is a major academic offence.

### **Plagiarism Checking:**

All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between The University of Western Ontario and Turnitin.com <http://www.turnitin.com>.

All instances of plagiarism will be reported to the Chair of Undergraduate Studies. Proven cases of plagiarism will result in a grade of zero for the assignment. Subsequent offences will result in failure for the course.
