

FACULTY POSITION
Probationary (Tenure -Track) – Assistant Professor
SCHOOL of COMMUNICATION SCIENCES and DISORDERS

The [Faculty of Health Sciences](#) (FHS) at Western University invites applications for a full-time probationary (tenure-track) position at the rank of Assistant Professor in the [School of Communication Sciences and Disorders](#) (CSD) with academic responsibilities in research, teaching and service. The anticipated start date will be July 1, 2025, or as negotiated. Salary will be commensurate with qualifications and experience.

We are seeking an energetic and dynamic candidate who will be able to contribute substantially to the teaching, research, and service efforts of the School in the field of audiology, with expertise in hearing disorders and audiological assessment, or hearing management, including aural rehabilitation. The successful candidate will also have a demonstrated capacity to contribute substantively to an inclusive and diverse academic community.

Applicants are encouraged to think about how their research program complements our existing research areas identified in the [Faculty of Health Sciences Strategic Research Plan](#) and in the [School of CSD Strategic Plan](#). The successful candidate will have opportunities to develop collaborative relationships with current CSD faculty conducting research in related areas, including those in the internationally acclaimed [National Centre for Audiology](#). Other opportunities for collaboration include PRECISE [Practice-Based Research Collaborative in Speech-

Application Instructions:

Applicants are invited to submit a complete application package, as a single PDF, containing the following:

- x [Application for Full-Time Position](#)
- x Cover letter/letter of interest
- x Current curriculum vitae
- x Brief statement of teaching experiences, research accomplishments and future research plans
- x Brief statement on equity, diversity, inclusion, decolonization, and accessibility in relation to research, teaching, and/or mentoring
- x Names and contact information of three academic references (letters are not required initially)

Western recognizes the potential impact that career interruptions can have on a candidate's record of research achievement. Applicants are encouraged to explain within their application the impact of career interruptions. Assessment of eligibility and qualifications will take career interruptions into account.

The application package can be submitted via email to:

Dr. Lisa Archibald, Professor and Director
