

Academic Colon & Rectal Surgeon
Department of Surgery, Division of General Surgery
Western University
London Health Sciences Centre, St. Joseph's Health Care London

Posting Date: June 21, 2024

Position Profile: A Full-time Limited Term Clinical Academic appointment at the rank of Assistant Professor or Associate Professor, or a Continuing Clinical Academic appointment at the rank of Associate Professor or Full Professor, depending upon experience and qualifications at the time of appointment. The Division of General Surgery is affiliated with London Health Sciences Centre and St. Joseph's Health Care London and is presently comprised of 27 surgeons with busy clinical practices. The Division has a strong clinical research interest and is an accredited Royal College training program.

Academic and Clinical Expectations: The successful candidate must have a strong interest in Minimally Invasive and Robotics Surgery and staying abreast of the advances in Colon and Rectal Surgery. The candidate will also be responsible for coverage of London and surrounding area. The successful candidate must be interested in pursuing a strong academic career and will be expected to participate actively in the Division's academic, research and education initiatives including teaching and supervision of undergraduate students, postgraduate trainees and fellows. Applicants considered at the rank of Associate or Full Professor must have demonstrated the ability to publish in the highest quality academic and subspecialty outlets and be a recognized expert in their field of research.

Qualifications: The successful candidate must have an MD or equivalent; have completed an accredited General Surgery training program; have advanced training in Colon & Rectal Surgery, or demonstrate clinical experience in General Surgery; have a strong research interest and/or an advanced degree; and be eligible for licensure in the Province of Ontario.

Compensation Details: Compensation for this position will be commensurate with qualifications and experience and will be primarily composed of the following sources: Fee for service (OHIP billings), Alternative Funding Plan, academic salary, and specialty review funding.

The City: London, Ontario. London is Canada's 10th largest city with a population of 400,000, a catchment area of 2 million, and is situated in southwestern Ontario between Toronto and Detroit. The region has a diverse economy and excellent educational opportunities. It is a safe and diverse nt 0
