## **STUDENT RESPONSIBILITIES**

Students are required to attend every class. If a student cannot participate in a class due to injury, they are expected to attend and assist their classmates through cooperative learning and error detection/correction. Students will be penalized 1% for each unexcused absence. Also, participation in class discussion in both gym and classroom sessions will count towards the participation/attendance portion of your grade. This will also take into account student participation and volunteering to help demonstrate skills in class.

## **EVALUATION**

Practical Evaluation 60%

The grade is achieved through skill testing (50%) and game play that occurs throughout the course (10%). You will be tested on specific skills taught during the course, as well as a practical evaluation of a randomly selected skill he course, as p
