**Required Course Material/Text:**

All required readings and online activities will be posted on OWL in Weekly Lessons.

**Course Evaluation:**

Assignments are due as stated in the course syllabus and will not be accepted late, except under medical or other compassionate circumstances. **Submitting a late assignment without appropriate documentation will result in a zero (0) grade.** Acceptable reasons might include hospital stays, serious illness, family emergencies (like serious accidents, illness or death) or similar circumstances.

**Evaluation**

**Value**

**Description**

		Gradescope will be used to administer the quizzes. Each will be worth 10% of the final mark.	
Lab participation (winter)	10%	<p>Students will be required to participate in weekly assigned tasks.</p> <p>Students will work in partners to participate as both trainer and client to fulfill the task and learning objectives for the week. Microsoft Teams will be used to facilitate online collaboration.</p> <p>*There is the potential for students to work to deliver online coaching for individualized exercise programs. This will be included as part of <i>lab participation</i> as the situation with community organizations permits.</p>	<b>TBD</b>
Assignment # 1: client history and assessment	10%	Students will be required document a history, subjective and objective assessments, and exercise goals. A draft program plan will be developed.
