Lecture

Introduction to course, course outline and evaluation criteria.
Assessment strategies, STTT

All evaluations will take place within scheduled lab or lecture times.

Midterm Test	October 23	
Lab Mark:		
Taping Practical	November 8	17.5%
Assessment Practical	December 6	17.5%
Lab Total		
Final Written Exam- Cumulative with equal representation MCQ		

If our ability to complete both practical assessments is compromised due to a lab shutdown, the remaining labs will be available online. In this case, the practical evaluations may also be completed online.

A missed assessment, without appropriate documentation will result in a zero (0) grade. Acceptable reasons might include hospital stays, serious illness, family emergencies (like serious accidents, illness or death) or similar circumstances.

If you are unable to write the midterm make-up, your cumulative final will be worth 65%. Make-up dates for missed practical assessments TBA. There is no reweighting of practical assessments.

To obtain credit for the course, you must receive a minimum of 60% on the final exam. (11(o)1.4 o)19 f) (ore. 8a) 9) 2 51 07 . 4bt) 4a) (bt) 49

Without the explicit written permission of the instructor, you may not submit any academic work for which credit has been obtained previously, or for which credit

Academic Accommodation

You have the right to appeal any grade within this course. The grounds for a grade appeal may be one or more of: medical or compassionate circumstances, extenuating circumstances beyond the student's control, bias, inaccuracy, or unfairness. All grounds advanced in a request for relief must be supported by a clear and detailed explanation of the reasons for the request together with all supporting documentation.

Appeals generally proceed in this order:

1. Cours
