

This course builds on content and theories learned in Kin 2236 and is predicated on active learning. Come to lecture prepared to discuss and give feedback with regards to field and clinical scenarios. The laboratory component adds a hands-on

There is not a required text for this course.

Weekly learning outcomes, labs, fill in the blank lecture notes and course readings will be posted on [OWL Brightspace](#).

All evaluations will take place within scheduled lab or lecture times.

Midterm Test February 10, 2025

Lab Mark:

Taping Practical	During Lab time, week of February 24	15%
Assessment Practical	During Lab time, week of March 31	<u>15%</u>

Lab Total

Final Written Exam- Cumulative with equal representation MCQ

If our ability to complete both practical assessments is compromised due to a lab shutdown, the remaining labs will be available online. In this case, the practical evaluations may also be completed online.

A missed assessment, without appropriate documentation will result in a zero (0) grade. Acceptable reasons might include hospital stays, serious illness, family emergencies (like serious accidents, illness or death) or similar circumstances.

If you are unable to write the midterm make-up, your cumulative final will be worth 70%. Make-up dates for missed practical

or summarize another author's ideas without acknowledging that the ideas belong to someone else. All papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between Western University and Turnitin.com (www.turnitin.com).

Without the explicit written permission of the instructor, you may not submit any academic work for which credit has been obtained previously, or for which credit is being sought, in another course or program of study in the University or elsewhere.

Computer-marked multiple-choice tests and/or exams may be subject to submission for similarity review by software that will check for unusual coincidences in answer patterns that may indicate cheating.

3.

Unless you have medical accommodations that require you to do so, or explicit permission from the instructor of the course, you may not use any electronic devices during ANY tests, quizzes, midterms, examinations, or other in-class evaluations.

Although you are welcome to use a computer

required to follow-

A+ 90-100 *One could scarcely expect better from a student at this level*
A 80-89 *Superior work*

There are various support services around campus and these include, but are not limited to:
Student Development Centre -- <http://www.sdc.uwo.ca/ssd/>
Ombudsperson Office -- <http://www.uwo.ca/ombuds/>

9.

The purpose of the Code of Student Conduct is to define the general standard of conduct expected of students registered at Western University, provide examples of behaviour that constitutes a breach of this standard of conduct, provide examples of sanctions that may be imposed and set out
