Notes:

The final assignment is due as stated in the course syllabus and will not be accepted late. Submitting a late assignment without appropriate documentation will result in a zero (0) grade. A missed quiz or mid-term examination, without appropriate documentation will result in a zero (0) grade. Acceptable reasons might include hospital stays, serious illness, family emergencies (like serious accidents, illness or death) or similar circumstances. In the case of a missed assignment, a 1-day extension will be provided beyond the reported absence. In the case of a missed quiz, weighting is re-distributed evenly to the other quizzes. In the case of a missed midterm, the weighting is shifted to the final exam.

A total of six case studies will be presented and discussed in class. Students will obtain participation credit for contributing to the discussion surrounding the case study.
