PROFESSIONAL BEHAVIOUR:

Expectations:

Students are expected to adhere to the following professional standards of conduct and behavior. These standards are based on the expectations of the profession and are essential for the success of the program. Students are expected to maintain a high level of academic integrity and to be honest in all their work. They are also expected to be respectful and courteous to all members of the community, including faculty, staff, and fellow students. Students are also expected to be punctual and to attend all classes and activities. Finally, students are expected to be responsible for their own learning and to seek out opportunities for growth and development.

Students are also expected to maintain a high level of academic integrity and to be honest in all their work.

Students are also expected to be respectful and courteous to all members of the community, including faculty, staff, and fellow students. Students are also expected to be punctual and to attend all classes and activities. Finally, students are expected to be responsible for their own learning and to seek out opportunities for growth and development. Students are also expected to maintain a high level of academic integrity and to be honest in all their work. They are also expected to be respectful and courteous to all members of the community, including faculty, staff, and fellow students. Students are also expected to be punctual and to attend all classes and activities. Finally, students are expected to be responsible for their own learning and to seek out opportunities for growth and development.

SCHEDULE OF KEY DATES, TOPICS & READINGS

Students are expected to adhere to the following professional standards of conduct and behavior.

NOTE: some sessions are held in Elborn College. See schedule on next two pages and WebCT for these locations.

Students are expected to read BEFORE class.
