

Health Sciences 2610F/G with a minimum mark of 75%.

1.) Readings and Listenings posted to WebCT

1.) 3 peer commentaries to any 3 course readings (3 x 10% each)

2.) 1 assignment narrative project (1 x 15% each)

3.) Major Essay (1 x 55%)

: Any topic related to an issue that you can justify to me as both an ethical concern and health related (in the broad sense of the term). The essay is due in class on April 2nd, and failure to bring the essay to class without officially accepted excuse will result in a 100% late penalty (meaning your essay is worth 0.00%).

January 9th – Syllabus review, introductions, expectations, etc.

January 16th – What is the

http://www.uwo.ca/univsec/handbook/appeals/accommodation_medical.pdf

The University recognizes that a student's ability to meet his/her academic responsibilities may, on occasion, be impaired by medical illness. Illness may be acute (short term), or it may be chronic (long term), or chronic with acute episodes. The University further recognizes that medical situations are deeply personal and respects the need for privacy and confidentiality in these matters. However, in order to ensure fairness and consistency for all students, academic accommodation for work representing 10% or more of the student's overall grade in the course shall be granted only in those cases where there is documentation indicating that the student was seriously affected by illness and could not reasonably be expected to meet his/her academic responsibilities.

A UWO Student Medical Certificate (SMC) is required where a student is seeking academic accommodation. This documentation should be obtained at the time of the initial consultation with the physician or walk in clinic. An SMC can be downloaded under the Medical Documentation heading of the following website:
