Buse, K., Mays, N., & Walt, G. (2012).

(2nd ed.). Berkshire, England:

<u>The assignment is an individual assignment</u>. Students will select a health policy issue and answer questions regarding the issue. Several health policy issues will be posted in OWL and individuals will select one topic to work on for this assignment – students must sign-up for their selected topic. Students will respond to several questions related to their chosen health policy issue including the historical context of the issue, role of government and factors that have shaped and influenced the issue. Details will be provided in class and posted in the <u>Assignment</u> and Online Discussion Resources tab in OWL.

The mid-term exam will be based on lectures, readings, and

the appropriate Academic Counselling Office of the student's Faculty of registration. For BHSc students, you may go to the School of Health Studies Office in HSB room 222.

Scholastic offences are taken seriously and students are directed to read the appropriate policy,
