Lectures: Mondays, 9:00-10:00 AM

Evaluation

There will be two components – a proposal for a topic area of interest (10%) and a short report (4-5 pages) outlining the information you uncovered about that topic (20%). The proposal is due to the OWL assignment drop box on October 5, 2016 and the final report is due to OWL on November 30, 2016.

Please refer to the course OWL page for further instructions/requirements.

d) Final Exam (30%) – TBA Scheduled by Registrar

There will be a final examination lasting a maximum of two hours covering all material discussed in the course. The format of the examination will be a combination of multiple choice questions and short written answers. The final exam date will be set by the university in the final exam period in December 2016. The final exam will cover material from the 2nd half of the course – it is NOT cumulative.
