DESCRIPTION

Course Description The course will cover a range of applications of psychology in rehabilitation. Since the physical consequences of illness or injury are stabilized after acute medical treatment, psychology plays a unique role in the rehabilitation phase, where further progress may be determined by motivation and general psychological adjustments to recovery. These include the rehabilitation of

6. **Student Code of Conduct** The purpose of the Code of Student Conduct is to define the general standard of conduct expected of students registered at Western University, provide examples of behaviour that constitutes a breach of this standard of conduct, provide examples of sanctions that may be imposed, and set out the disciplinary procedures that the University will follow. For more information, visit <http://www.uwo.ca/univsec/board/code.pdf>
7. **English Proficiency for the Assignment of Grades** Visit the website <http://www.uwo.ca/univsec/handbook/exam/english.pdf>
8. **Use of Plagiarism Checking Software** All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between The University of Western Ontario and Turnitin.com (<http://www.turnitin.com>)
9. **Multiple Choice Exams** Computer-marked multiple-choice tests and/or exams may be subject to submission for similarity review by software that will check for unusual coincidences in answer patterns that may indicate cheating.
