Cell: 519-639-9722

Teaching Assistant: TBA

Course Description

This is an advanced undergraduate course in health sciences that explores how art, health, and the politics

It is expected that the grades for this course will fall between a B to A- average. If the average falls outside this range, a constant may be added (or subtracted) from each student's grade, by the instructor, to bring the class average in line with school policy. Although course averages in years 1 through 4 grades vary,
