### Examinations:

In this course t 789 0 Td DC 233c -0554/P <111EMC T /P1/MCID 466T /P554/P <6EMCC T /P1/M

Group Assignment (3.5%):

The assignment requires you to work with classmates in assigned groups. You will be asked to form into groups after the add/drop period in September. You will then be provided with detailed information about the assignment.

The assignment requires you to:

- a) Select a health condition NOT covered in the course
- b) Research the health condition
- c) **Create a Patient Glouire 0 Td t**

## COURSE POLICIES AND PROCEDURES

### Student Code of Conduct :

The purpose of the Code of Student Conduct is to define the general standard of

- b. The duration of the excused absence will be for a maximum of 48 hours from the time the Self-Reported Absence form is completed through the online portal, or from 8:30am the following morning if the form is submitted after 4:30pm;
- c. The duration of the excused absence will terminate prior to the end of the 48 hour period, should the student undertake significant academic responsibilities (e.g., write a test, submit a paper) during that time;
- d. The duration of an excused absence will terminate at 8:30am on the day following the last day of classes each semester, regardless of how many days of absence have elapsed;
- e. Self-reported absences will not be allowed for scheduled final examinations; for midterm examinations scheduled during the December examination period; or for final lab examinations (i.e., “bellringers”);
- f. Self-reporting may not be used for assessments (e.g., midterm exams, tests, reports, presentations, or essays) worth more than 30% of any given course.
- g. *Students must be in touch with their instructors no later than 24 hours after the end of the period covered by the Self-Reported Absence form, to clarify how they will be expected to fulfil the academic expectations they may have missed g.*

scholastic purposes only, and refrain from engaging in any activities that may distract other students from learning. From time to time, your professor may ask the class to turn off all computers, to facilitate learning or discussion of the material presented in a particular class.

Cell phones auditory sounds (ring tones, message chimes, etc..) are to be turned off during scheduled class time.

### SUPPORT SERVICES FOR STUDENTS

There are various support services around campus and these include, but are not limited to:
