

Michael Robinson PhD CAT(C) ATC

TC-203

mrobin7@uwo.ca

Wednesdays from 10:00 am to 3:00 pm – Appointments must be booked 24 hours in advance: <https://michaelrobinsonuwo.youcanbook.me/>

Please communicate any questions via email and allow for 72 hours for a response.

There are two in-person lectures per week: Thursday 10:30 – 12:30, Friday 11:30-12:30

Health Sciences 2300A/B or Health Sciences 2330A/B or Kinesiology 2222A/B or Anatomy and Cell Biology 2221.

Registration in a Rehabilitation Sciences module or enrolled in third or fourth year of the School of Health Studies or School of Kinesiology.

Health Sciences 3091B section 001 if taken in 2011.

Unless you have either the requisites for this course or written special permission from your Dean to enroll in it, you may be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees if you

In-Person Schedule	Lecture
Thursday, January 12, 2023	Introduction to MSK Injuries Clinical Assessment Process
Friday, January 13, 2023	Clinical Assessment Process
Thursday, January 19, 2023	Foot and Toe Pathologies
Friday, January 20, 2023	Foot and Toe Pathologies
Thursday, January 26, 2023	Ankle and Leg Pathologies
Friday, January 27, 2023	Ankle and Leg Pathologies
Thursday, February 2, 2023	Knee and Patellofemoral Pathologies
Friday, February 3, 2023	Knee and Patellofemoral Pathologies
Thursday, February 9, 2023	Pelvis and Thigh Pathologies
Friday, February 10, 2023	Pelvis and Thigh Pathologies
Thursday Feb 17, 2023	Midterm
Thursday Feb 18, 2023	No Class
Thursday, February 23, 2023	READING WEEK
Friday, February 24, 2023	READING WEEK

Thursday, March 2, 2023	Lumbar/Thoracic Pathologies
Friday, March 3, 2023	Lumbar/Thoracic Pathologies/Cervical Pathologies
Thursday, March 9, 2023	Lumbar/Thoracic Pathologies/Cervical Pathologies
Friday, March 10, 2023	Special Topic TBD
Thursday, March 16, 2023	Exercise Rehab
Friday, March 17, 2023	Exercise Rehab
Thursday, March 23, 2023	Elbow and Forearm Pathologies
Friday, March 24, 2023	Elbow and Forearm Pathologies
Thursday, March 30, 2023	Wrist, Hand and Finger Pathologies
Friday, March 31, 2023	Neurological Pathologies
Thursday April 6, 2023	Review
Friday April 7, 2023	Review

Part 1 Infographic Group Assignment (15%)

In groups of 4 you need to create an infographic that covers one specific injury. This infographic should be directed towards an educated audience.

You will need to cover the following:

- Anatomy involved (2%)
 - Etiology/Mechanism of injury (2%)
 - Epidemiology (1.5%)
 - Differential Dx (1.5%)
 - Assessment Techniques (imaging and orthopedic tests) (2%)
 - Treatment Options (1%)
 - Prognosis (1%)
- You should include images and base the information off scholarly resources (text books, peer reviewed articles etc.)
 - A separate reference sheet in AMA format is required. (1%)
 - Overall design (3%)
 - Note: You will not be graded on the quality of your design/images (i.e. you don't need to be a graphic designer)

Part 2 Independent Writeup (15%)

Working independently, you will need to write a summary of the same injury expanding on the information in the infographic. You will need to cover the following:

- Anatomy involved (2%)
- Etiology/Mechanism of injury (2%)
- Epidemiology (1.5%)
- Differential Dx (1.5%)
- Assessment Techniques (imaging and orthopedic tests) (2%)
- Treatment Options (1%)
- Prognosis (1%)

References in AMA format are required. (1%)

Writing (2%)

- Includes grammar, spelling etc.

Paper is to be double spaced, 11 point font, 1 inch margins and a maximum of 6 pages.

Missed Assignments and Exams

conducted using a remote proctoring service. By taking this course, you are consenting to the use of this software and acknowledge that you will be required to provide personal information (including some biometric data) and the session will be recorded. Completion of this course will require you to have a reliable internet connection and a device that meets the technical requirements for this service. More information about this remote proctoring service, including technical requirements, is available on Western's Remote Proctoring website at: <https://remoteproctoring.uwo.ca>.
