WHAT YOU CAN EXPECT FROM US

As instructors, we commit ourselves to being on time, well-prepared, and available for consultation. We strive to create a classroom atmosphere where each student is respected and feels comfortable participating. We undertake to provide clear guidelines about what is required in the course and to apply these guidelines with fairness to all students in all sections.

WHAT WE EXPECT FROM YOU

In order to help the class and tutorial function smoothly and to ensure the best possible learning conditions for all, students are asked to exercise courtesy and cooperation in the following ways:

1. **Arrive on time and stay until the class or tutorial is dismissed.** If you arrive late, please let the instructor know, and make sure you are counted for attendance. If you must leave early for an important reason, please let the instructor know this beforehand.
2. **Raise your hand** to indicate that you have a question or an answer to contribute. Participation is heartily encouraged, but only one person can be heard at a time. Please don't interrupt the instructor or another student who is speaking.
3. **Please don't talk to your neighbours**, even to consult about the lesson. No matter how quietly you are speaking, others, including the instructor, may find it distracting. There will be times when you are asked to work in pairs or in groups. Then, of course, you will be speaking to other students. Once the instructor announces the end of that activity, please stop your individual discussions and return your attention to the class.
4. **Come to class prepared** and equipped with necessary books and completed homework so that
