Measurement is a central part of scientific practice. As Lord Kelvin once put i TJ5.417 0 Td( )Tj0.01 Tc -0.01 Tw 0.347 0 Td

pursue instead (based on the interest of the class). I will post a regularly updated schedule on the website based on how quickly we

Measuring Social Qyantities

Assigned reading: [Cartwright and Runhardt, 2014]

Optional further reading: [Porter, 1996] (Chapters 2-
