This course outline is tentative and subject to change.

OVERVIEW

Most people believe that good science is “value-free” science. Th

## REQUIREMENTS

Attendance, participation, oral presentation (20%); two five-page essays (15% each 30% total); a midterm exam (20%), and a final exam (30%).

For both the midterm and final exams, study questions will be provided in advance. The questions on each exam will be a proper subset of the study questions.

Note: All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between The University of Western Ontario and Turnitin.com (<http://www.turnitin.com>).

## AUDIT

Students wishing to audit the course should consult with the instructor prior to the first
