April 27, 2016

Executive Summary

The site visit occurred on January 25 – 26, 2016. The consultants met e

s, Research and Learning Support

Significant Strengths of Program

The external consultants' report noted a set of significant strengths of the program. A particular strength, and hallmark of the curriculum, is the focus on research and writing skills, including exposure to experimental psychology practices in the first year experience. Furthermore, "At each year of instruction, courses integrate content instruction with problem-solvingt
