Effective Date: September 2014

Supersedes: *

An Application to Graduate must be completed through the [Student Center](#) by April 30 in the Winter term by each student who expects to graduate in the Winter term. Students who wish to change their name, to question their degree designation, or to postpone their graduation, should contact the Registrar, in writing, if they wish to change their name, to question their degree designation, or to postpone their graduation.

Application for Graduation and Notification of Eligibility to Graduate

Candidates who meet the requirements for graduation in the degree and program of study specified on their Application to Graduate will graduate at the Convocation specified on the Application. Students who fail to meet the requirements for the specified degree and program of study will not graduate at the specified Convocation and should consult the Dean of their Faculty regarding alternative graduation possibilities.

Upon receipt of Applications for Graduation, the Office of the Registrar will review the academic records to identify and advise those students who will not be eligible to graduate even with the successful completion of courses in which they currently are enrolled.
