Under Western's regulations, if a student misses 15% of their classes, without written corroboration for health or bereavement, they can be debarred from participation in final tests, evaluations and/or critiques.

If a student is consistently absent from a portion of class, they will be considered as exceeding the 15% cut off.

After three unexcused absences, a student's final grade may be lowered by half a letter grade.

Academic Accommodation: For Western's complete Policy on Academic Accommodation for Students with Disabilities see <http://westerncalendar.uwo.ca/2014>. Please talk to me during the first few weeks of the course if you require accommodation in course requirements or scheduling due to a disability. Please visit the Student Development Centre for assistance with a disability. Students who want to request academic accommodation must register with the Centre, meet with a counselor, and provide appropriate documentation of a disability. See <http://www.sdc.uwo.ca/ssd/> for more information.

Electronic Devices: You may use a computer in class to take notes. All other activities (e.g. checking email or social media sites, etc.) are strongly discouraged, especially as this is distracting to others. Students should turn off all cell phones while in the classroom. Under no circumstances are cell phones or any electronic devices to be used during tests or examinations.

Code of Conduct: Students will conduct themselves in a manner consistent with the Code of Student Conduct and treat all members of the Western community with respect. See <http://westerncalendar.uwo.ca/2014>. I will make every effort to foster a class environment that is comfortable for all students and where students respect all class members.
