## Course Lessons

This course is divided into 13 lessons; each lesson is designed to be a mix of live online lectures and self-paced content. It is important that you complete each chapter as assigned, in the week in which it is assigned, both to get ahead!

### What to Expect

Each week has lessons that start with a video overview of the lesson content, readings, and assignments. The approximate time it will take you to complete them. Depending if you are already familiar with a technique or if you need more time to go through materials, you may find that it takes you less or more time than indicated. Use the estimated times and your understanding of how you work best to plan your week and give yourself
