Class Meeting and Reading Schedule

Note: Quiz dates are tentative and may change depending on how much material we have (or have not yet) covered since the previous quiz. Quizzes will never be moved back—and advance notice will be given if/when such a scheduling change occurs.

As a general point about electronic devices in the classroom, note as well that while laptops or tablets are certainly encouraged for note-taking purposes, cell phones are not permitted to be at hand or anywhere in view during class. All phones must be turned off and kept in knapsacks/purses until class has concluded. If I feel that this classroom expectation regarding cell phones is not being respected, I reserve the right to ban all electronics from class for the remainder of term.
