Please refer to the "Information for All Students in a Writing Course" for more detailed information. Briefly, remember that I do not have the discretion to initiate, consider, and grant (or deny) such requests; you must go directly to the Dean's office of your home faculty

The University Senate requires the following statements, and Web site references, to appear on course outlines:

"Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, at the following Web site: \_\_\_\_\_."

Students must write their essays and assignments in their own words. Whenever students take an idea, or a passage of text from another author, they must acknowledge their debt both by using quotation marks where appropriate and by proper referencing such as footnotes or citations. Plagiarism is a major academic offence (see Scholastic Offence Policy as above). Plagiarized work will receive an 'F' (ranging from 0 to 49) and may result in failure in the course as a whole.

"All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement currently between The University of Western Ontario and Turnitin.com (<http://www.turnitin.com>)."

The University Senate requires the following statement to appear on course outlines:

"Unless you have either the requisites for this course or written special permission from your Dean to enroll in it, you may be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisites."
