Writing 1030G: Writing for Professional Success in Nursing

Course Requirements

Assignment Format

Written assignments are to be typed, double-spaced, and stapled. All assignments must have your name,

with that student's other scheduled class times. If you are asked or 'required' to do this, you should immediately contact an academic counsellor in your Dean's office. If you elect to miss a Writing class in order to write such a test in another class, that is ____ choice; your absence will not be excused.

Attendance also extends to tardiness. If you are more than 20 minutes late, you will be penalized an hour of attendance. Please make every effort to be on time as late entry can disrupt the flow of discussion in our class. Early departures from class, which have not been previously arranged with the instructor, will also be counted as an absence. If you leave during the break, you will be docked an hour of attendance.

Scholastic Offences, including Plagiarism

"Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, at the following Web site: http://www.uwo.ca/univsec/pdf/academic_policies/appeals/scholastic_discipline_undergrad.pdf

Students must write their essays and assignments in their own words. Whenever students take an idea, or a passage of text from another author, they must acknowledge their debt both by using quotation marks where appropriate and by proper referencing such as footnotes or citations. Plagiarism is a major academic offence.

All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement currently Western and Turnitin.com <http://www.turnitin.com>."

Prerequisites

"Unless you have either the requisites for this course or written special permission from your Dean to enroll in it, you may be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisites."

Medical Accommodation Policy

Western has a comprehensive policy covering requests for accommodation by students who are not registered with Student Accessibility Services. All students should review this policy here, under the heading 'Accommodation for Illness – Undergraduate Students', noting the procedures, restrictions, and notice requirements: http://www.westerncalendar.uwo.ca/PolicyPages.cfm?Command=showCategory&PolicyCategoryID=1&SelectedCalendar=Live&ArchiveID=#Page_12

In Writing courses, students covered by this policy who are seeking academic consideration must proceed as follows.

Writing Studies' Basic Policy: Students seeking academic consideration on medical or any other grounds for any missed tests/exams, class attendance/participation components, or late or missed assignments must either initiate a Self-Reported Absence (for a grade component worth up to 30% of their final grade, but excluding final exams scheduled during the tng(e) 0.2 (nda) 0.2 (r)6 1 Tf [(a) 0hefi

Exception: In Writing Studies courses, a student seeking academic accommodation on non-medical grounds for any missed in-class tests/exams, class attendance/participation components, or late or missed assignments worth less than 10% of a final grade may first consult directly with her or his instructor, who will – in his or her discretion – elect either to make a decision on the request directly or instruct the student to follow the procedures set out in Writing Studies’ Basic Policy (above).

Please note that individual instructors will not under any circumstances accept or read medical documentation directly offered by a student, whether in support of an application for accommodation on medical grounds or for related reasons (e.g. to explain an absence from class which may result in a grade penalty under an ‘Attendance’ policy in the course). All medical documentation must be submitted to the Academic Counselling or Undergraduate office of a student’s home Faculty.

Students who are or who feel they should be covered under Student Accessibility Services should review Western policy here: http://www.westerncalendar.uwo.ca/PolicyPages.cfm?Command=showCategory&PolicyCategoryID=1&SelectedCalendar=Live&ArchiveID=#Page_10

Students who are in emotional/mental distress should refer to MentalHealth@Western (<https://www.uwo.ca/health/>) for a complete list of options about how to obtain help.
