

2211F: Fundamentals of Creative Writing
Fall 2023

Submitting Assignments

Assignments are due on the date specified in the weekly schedule. **Late assignments will be penalized 5% per day unless you have received an extension.** You must talk to your instructor about extensions ahead of the due date and provide a valid reason; extensions are not automatic and cannot be granted retroactively.

In this course, you will be required to submit the final version of each of your written assignments electronically as a DOCX file, through OWL, to Turnitin.com. No print copies are necessary. However, be aware that you are responsible for keeping backup copies of all assignments submitted.

Reading Responses

Between Weeks 2-7, for each set of course pack readings, you will write a 300-400-word response paper and upload it to the Forum section of OWL before the class meeting (e.g., the response paper for Week 2 is due by 12:30pm before class on September 20th). For one of these weeks, you will sign up to help initiate/lead the class discussion. These course elements are due on the assigned date *before* class and cannot be made up.
